CLASSIC CLUTCH SERVICES

Australian Clutch Services are specialists in all areas of clutch including new clutch kits and components for vintage and historic vehicles and also rebuild services for clutch kits that are no longer available. The classic vehicle range is covered under the Classic Clutch brand and has been developed over 30 years of operation in Australia.

- Clutch kits & components for a wide range of classic vehicles from manufacturers such as Ferrari, Lamborghini, Alfa Romeo, Leyland, Maserati, MG, Lotus, Aston Martin & many more
- Original Equipment quality replacements & high-performance upgrades
- Ability to rebuild & reset original clutch components that are simply no longer available
- Complete clutch kits, individual components, hydraulics and actuation accessories available
- Standard replacement and performance/motorsport upgrades

If you are looking for clutch kits, hydraulics and accessories for classic or rare vehicles, make sure to contact the experts at Australian Clutch Services for further information.

"Our mission is to provide the highest Quality, Innovation & Service to our customers across Australia and around the world"
