

TOOL HIRE PROGRAM

The ACS hire tool program provides an easy solution for workshops who require more specialised tools for clutch installation. This program includes a wide range of tools that are required for the successful and efficient installation of Dual Clutch Transmission and Self-Adjusting clutch kits.

- Extensive range of Dual Clutch Transmission & Self-Adjusting Clutch installation tools
- New actuator reset tool for Hyundai DCT transmission
- Easy process for sourcing and returning the tools
- Available with the purchase of applicable ACS clutch kits through the ACS distributor network
- Technical support through ACS
- Access the DCT market without the investment in vehicle specific tools
- 7 Day Hire to Allow Time for Installation Process

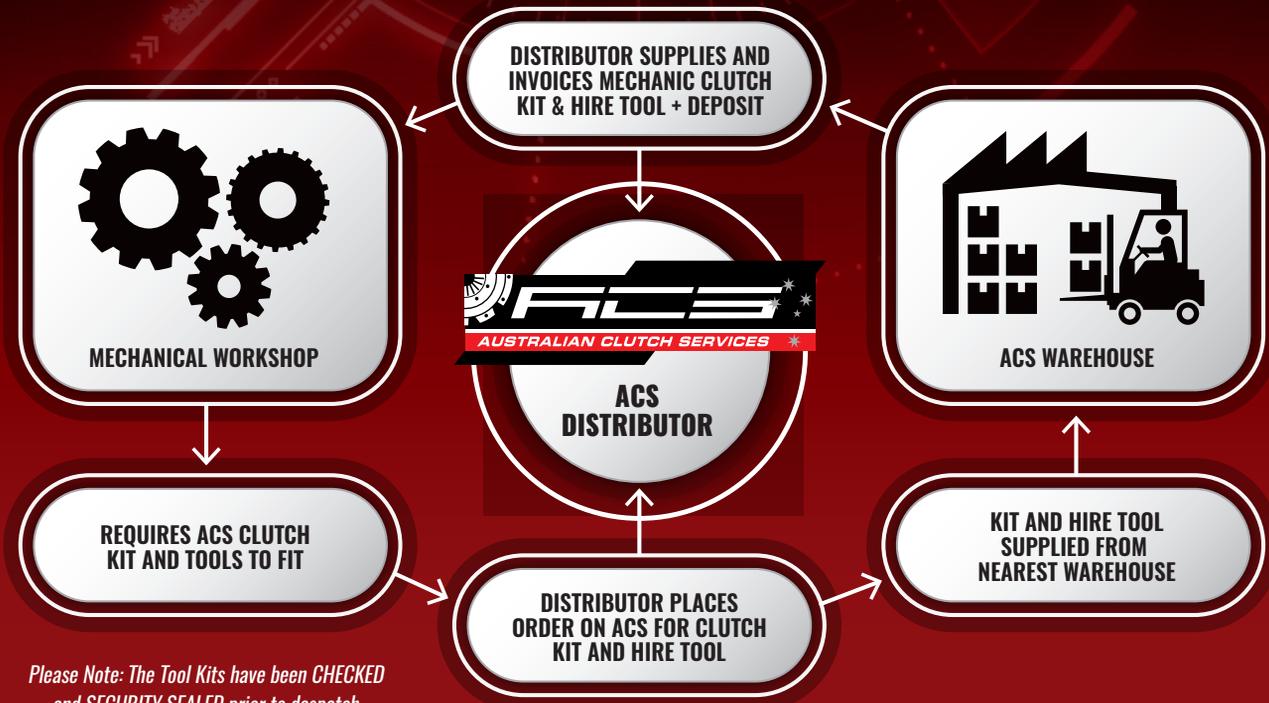

7 DAY HIRE
